Conan the Barbarian finds himself lusting after and fighting alongside the toughest woman alive, Valeria The Red, a beautiful pirate who out pirates the best of them in her strength and ferocity. This is one of the strangest stories ever written by Robert E. Howard — the tale of a barbarian adventurer, a woman pirate, and a weird enclosed and long dead city now inhabited by the most peculiar race of men ever spawned. Listen and be amazed at Howard's inventive genius. - Summary by phil Chenevert
